

**§4.477 Findings of fact and decision by administrative law judge: Notice; submission to Board of Land Appeals for decision.**

(a) As promptly as possible after the time allowed for presenting proposed findings and conclusions, the administrative law judge shall make findings of fact and conclusions of law unless waiver has been stipulated, and shall render a decision upon all material issues of fact and law presented on the record. In doing so he may adopt the findings of fact and conclusions of law proposed by one or more of the parties if they are correct. The reasons for the findings, conclusions, and decisions made shall be stated, and along with the findings, conclusions, and decision, shall become a part of the record in any further appeal. A copy of the decision shall be sent by certified mail to the appellant and all intervenors, or their attorneys of record.

(b) The Board of Land Appeals may require, in any designated case, that the administrative law judge make only a recommended decision and that such decision and the record be submitted to the Board for consideration. The recommended decision shall meet all the requirements for a decision set forth in paragraph (a) of this section. The Board shall then make the decision in the case. This decision shall include such additional findings and conclusions as do not appear in the recommended decision and the record shall include such rulings on proposed findings and conclusions submitted by the parties as have not been made by the administrative law judge.

(a) Any person who has a right of appeal under §4.410 or other applicable regulation may appeal to the Board from an order of an administrative law judge granting or denying a petition for a stay.

(b) As an alternative to paragraph (a) of this section, any party other than BLM may seek judicial review under 5 U.S.C. 704 of a final BLM grazing decision if the administrative law judge denies a petition for a stay, either di-

rectly or by failing to meet the deadline in §4.472(d).

(c) If a party appeals under paragraph (a) of this section, the Board must issue an expedited briefing schedule and decide the appeal promptly.

(d) Unless the Board or a court orders otherwise, an appeal under paragraph (a) of this section does not—

(1) Suspend the effectiveness of the decision of the administrative law judge; or

(2) Suspend further proceedings before the administrative law judge.

(e) Any party adversely affected by the administrative law judge's decision on the merits has the right to appeal to the Board under the procedures in this part.

**§4.479 Effectiveness of decision during appeal.**

(a) Consistent with the provisions of §§4.21(a) and 4.472(e) and except as provided in paragraphs (b) and (c) of this section or other applicable regulation, a final BLM grazing decision will not be effective—

(1) Until the expiration of the time for filing an appeal under §4.470(a); and

(2) If a petition for a stay is filed under §4.471(a), until the administrative law judge denies the petition for a stay or fails to act on the petition within the time set forth in §4.472(d).

(b) Consistent with the provisions of §§4160.3 and 4190.1 of this title and notwithstanding the provisions of §4.21(a), a final BLM grazing decision may provide that the decision will be effective immediately. Such a decision will remain effective pending a decision on an appeal, unless a stay is granted by an administrative law judge under §4.472 or by the Board under §4.478(a).

(c) Notwithstanding the provisions of §4.21(a), when the public interest requires, an administrative law judge may provide that the final BLM grazing decision will be effective immediately.

(d) An administrative law judge or the Board may change or revoke any action that BLM takes under a final BLM grazing decision on appeal.

to court action, a BLM grazing decision is not final agency action subject to judicial review under 5 U.S.C. 704 unless—

(1) A petition for a stay of the BLM decision has been timely filed and the BLM decision has been made effective under § 4.472(e), or

(2) The BLM decision has been made effective under paragraphs (b) or (c) of this section or other applicable regulation, and a stay has not been granted.

(f) Exhaustion of administrative remedies is not required if a stay would not render the challenged portion of the BLM decision inoperative under subpart 4160 of this title.

#### § 4.480 Conditions of decision action.

(a) *Record as basis of decision; definition of record.* No decision shall be rendered except on consideration of the whole record or such portions thereof as may be cited by any party or by the State Director and as supported by and in accordance with the reliable, probative, and substantial evidence. The transcript of testimony and exhibits, together with all papers and requests filed in the proceedings, shall constitute the exclusive record for decision.

(b) *Effect of substantial compliance.* No adjudication of grazing preference will be set aside on appeal, if it appears that it is reasonable and that it represents a substantial compliance with the provisions of part 4100 of this title.
